Price list for Waste and Substitute Building Material Landfill Davids (class DK1)

Acceptance prices per ton, plus statutory VAT.

Recovery and disposal of soil and rubble

Insertion Class / Landfill Class	Price [€]
≤ Z2 according to LAGA M20 (2004)	24.00 €
≤ DK0 according to DepV	upon request
≤ DK1 according to DepV	31.00 €

The specifications from "Acceptance criteria" apply (see there).

Recovery and disposal of other mineral waste

Other waste and substitute building material (see "Accepted waste types") is accepted at individual prices according to its physicochemical properties. Please contact us for this purpose.

Please ask us to prepare the necessary documents for the notification procedure according to Regulation (EC) No 1013/2006 free of charge (only required for the transboundary shipment of waste and substitute building material from abroad - plus any official fees).

Delivery of building materials ex works

Take the opportunity to take along building materials as gravel, sand, macadam and recycled building material ex works Aldenhoven on the same site!

Please contact our parent company Davids in Geilenkirchen (Tel.: +49 – (0)2451-9804-0, e-mail: franz.davids@f-davids.de).
